## Dear Potter Township Resident:

We are happy to announce that effective 1/1/2020 we will be collecting your residential solid waste.

We would like to take this opportunity to welcome you and briefly introduce our company. J. Young Refuse is a small family-owned business, conveniently located in Ohioville, Pennsylvania, and very well established for the last 30 years! We provide residential and commercial refuse removal, along with recycling and roll off dumpster containers.

*- John A. Young Jr., owner*

### Collection Day

Your collection day will be **FRIDAY**

Please place your garbage at the curb, no more than 5 feet from the road, the night before collection day. *Garbage must be set out by 6:00 am.*

All refuse bags must weigh 40 pounds or less and must be able to be lifted by one employee.

Please make sure all containers are clearly visible from the street and are easily accessible.

### Bulky Materials we are ABLE to Collect:

- Furniture (chairs, couches, mattress & box springs, & other household items generated from customers' address)
- Stoves
- Dishwashers
- Washers
- Dryers
- Water softeners & hot water tanks must have the salt & any liquids & chemicals removed
- **CARPETING** - carpet, rugs & padding must be cut & secured into 4 ft. by 12 in. in diameter. *No more than 6 rolls may be placed at the curb each week*
- **ITEMS CONTAINING FREON** - *We are UNABLE to collect appliances containing Freon.* Any appliance that contains Freon must have it removed by a professional, they will tag the item & then we will be able to accept the item at the curb for collection.
- **PAINT** - *No liquid paint may be placed in the garbage for collection.* You may place cat litter or a paint hardener into the paint to make the paint solid - once solid, place the can at the curb *with the lid off* so that our employees may see that the paint is no longer in liquid form.

**NEEDLES & SHARP OBJECTS** - Please place all needles, syringes & lancets, *in a plastic container with a secure lid.* You may then place the container into your garbage. All other sharp items, including glass & metal, please place in a cardboard box or wrap with heavy paper & tape closed before placing in your garbage.
